### **Missionary Housing Need**

An International Mission Board missionary family would love to join in with the FBG family March–July 2018. In order for this family to join us for those months, we need to provide housing for them. If you know of an option in our area that would provide three bedrooms for this family of five little kids, please contact the church office to let us know. This family will be a great blessing to our church family. One of the family members was one of Pastor Kevin's past interns. Please join us in praying for provision for them to be able to be here with us.

### **Special Needs Ministry**

FBG has many people eager and ready to serve in this ministry. If you are a family that has a child with special needs, or know of someone, please contact Lisa Patterson at [lpatterson@fbcgt.org](mailto:lpatterson@fbcgt.org). We look forward to serving our church family!

One such partner will be our guest speaker.
