Coed Study:

Words With God: Invitation not Obligation

Multiple leaders – free, Georgetown Campus E1.204, four weeks

You're invited to continue to grow in learning more about prayer and being led through intentional prayer as a part of our Words With God: Invitation not Obligation sermon series. Each week you will be invited to engage in another aspect of prayer. We will walk through praying for the lost, prayer in confession and repentance, praying for the church and prayer as worship. Join with us in this invitation to an ongoing conversation with the Lord.

Home Groups

Home Groups are small groups that study the Bible and encourage one another to love God, love people and help others do the same. They meet in homes throughout the week and follow a "Home Group Guide" based on each week's sermon. To get connected with a Home Group, go to www.fbg.church/homegroups.

Special Needs Ministry

We have an exciting opportunity to serve the families of children and youth who have special needs. We are looking for people to love these families and make this their ministry (training will be provided). We need people who can be accessible to these students and their families to give them peace of mind, support and love as well as support to the children's and youth ministry. If you have a passion to connect with a student with special needs and their family, we need you! Please contact Ali Holt at ali_renee7@msn.com or 918.406.3712 with questions.

Missionary Housing Need

An International Mission Board missionary family would love to join in with the FBG family March–July 2018. In order for this family to join us for those months, we need to provide housing for them. If you know of an option in our area that would provide three bedrooms for this family of five little kids, please contact the church office to let us know. This family will be a great blessing to our church family. One of the family members was one of Pastor Kevin's past interns. Please join us in praying for provision for them to be able to be here with us.
